

To Our BCSEM Members and Friends:

As we welcome in another new year, we are all looking ahead to our gardens and outdoor projects! The Beautification Council of Southeastern Michigan (BCSEM) has supported our member communities in realizing their visions for almost 60 years through networking, sharing of ideas, and encouraging volunteerism. As District 1 of Keep Michigan Beautiful, a not-for-profit organization, BCSEM remains committed to engaging all communities in our 5-County region of Southeastern Michigan as member communities!

Our organization maintains strong positive momentum as we enter this new year. In spite of the many challenges imposed by the COVID-19 pandemic, BCSEM has remained focused on member health, safety, and welfare. After a long pause, we are planning to resume face-to-face Quarterly Meetings this year, safely and with an abundance of caution for our members. Our organization's on-going support of community-based beautification activities continues uninterrupted.

BCSEM is your organization, responsive to your needs and interests. Our success as an organization depends entirely on continued engagement of our member communities. We continue to keep our annual dues at the very low rate we have maintained for a number of years – **only \$20!** Please complete and return the enclosed Membership Application with your membership fee. If your neighboring communities are not yet members, pass along a BCSEM Membership Application and encourage them to join us! Our Membership Application can also be found on-line at www.bcsem.org. If you have any questions, please contact me. My contact information is below. Thank you very much!

Sincerely,

John M. Darin
